Many thanks to our judges for 2012, Messrs F French, R Lingham and T Kemp.

Our grateful thanks to the 23 farms who entered 75 crops this year. There were some difficult decisions to make, but as always the Association very much appreciates the support from the entrants, stewards and judges alike. Our congratulations to the winners!

The first and second placed entries will be on display at the ploughing match in the secretary's tent and again at the Cattle Show at Ashford Market in December. The trophies will be presented at the annual WKPMA Prize-Giving evening in November.
